

Sermon Discussion Guide:

God is Wise

Scripture: **Romans 11:33**

Series: **God Is**

Sunday, February 9, 2020

OVERVIEW

Oftentimes when we experience difficult circumstances or trials, we may wonder, “What is going on in God’s mind?” The answer is always “divine wisdom.” **God’s wisdom guarantees that his purpose and plan produce the best results through the best means.** His wisdom provides assurance for the hurting and fearful, guidance for the ignorant, and forgiveness for the guilty. Further, God imparts His wisdom as a gift to those who need it—and that’s all of us. Our world thinks we have all the knowledge and information needed, but true wisdom is only found in Jesus Christ.
