## DISCUSSION QUESTIONS

1. Do you live as though Jesus is not coming back? How? Why? If he returned today, would you be ashamed?
2. In verse 8, John equated the fine linen with the righteous deeds of the saints. Do you tend to overemphasize **justification** (being declared righteous) or **sanctification** (growing in godliness)? How do we hold both in tension?
3. How does gratitude give birth to praise in your life? How do you practically express your gratitude?
4. What practices best fuel your hope in all that is promised in Jesus' return?
5. Have you been growing in godliness lately? How?
