# God's Mission for Your Life

Sunday, January 30, 2022

Scripture: **Psalm 67**

---

## OVERVIEW

**The Lord God desires to use your life to reach the world for his glory.** God wants to use us so that the world may know Him, worship Him, and fear Him. As we go on mission, we ask God for His blessing so that we can be a blessing to the world and exhibit His glory; we use missions as a means to make more worshippers; and we trust God to provide for us in the big and small things.

## DISCUSSION QUESTIONS

1. We are all called to be missionaries! What is your mission—or the mission of your family? Have you discerned a call to foreign missions? Local missions?
2. Are you praying for blessings that you can share, or only ones that contribute to your comfort, benefit, and prosperity? How can you use some of the blessings that God has given you to bless others and make Him known in the world?
3. How has God shown his faithfulness to you lately in the small things? Do you ever overlook some of his daily mercies?
4. God is just and he is sovereign (see verse 4). How does the fear of God help you not to be afraid when it comes to missions and otherwise?
